TUESDAY, JULY 29, AT JEFF DECAMP FIELD

9-12U 5-6 P.M

13-14U 6-7 P.M

Got what it takes?

You might be the one we need!

Our Maple City Baseball program offers part-time travel teams for 9U, 10U, 11U and 12U and full-time travel for 14U and 13U in our Boys Baseball program. (Age groups are offered depending upon the number of players interested and may be combined).

Only participants in the La Porte Park and Recreation Department Boys Baseball program are eligible for the Maple City Baseball program (9U-12U) and must play for their age group as determined by their age on or before **April 30, 2026**.

Team selections will be made at the conclusion of the tryouts. Teams will be selected by the Maple City Baseball coaching staff, with oversight from league administrators and coaches. There is no additional fee for the tryouts, however, if selected players must pay a fee, possibly participate in fundraising, and commit to the full schedule.

Participants work out in the fall through October and then begin winter workouts in January. Teams participate in tournaments from April through July.

Thanks to the generosity of our community, we are able to offer financial assistance for families of potential participants. Scholarship forms available at the Park Office.
