From: Cole Smith, Recreation Director

Regarding: 2024-2025 Basketball Entry Information

The La Porte Park and Recreation Department's Adult Basketball Program will return on Sunday, November 10, 2024. We will host two days this playing season.

**Sundays: Competitive Play**  
**Tuesdays: Competitive Play (limited to 8 teams)**

Enclosed is the team entry information for the 2024-2025 basketball program.

### 1) Team Entry Information

- a) **Team entry deadline Friday, October 18, 2024**
- b) Sponsor's Entry Fee - **\$440 per team** (all leagues) if paid on or before October 18, 2024, deadline; after deadline, \$465 per team provided space exists.
- c) Team Player Fee - **\$220**
- d) **Total fees due** = sponsor's fee (\$440) + team player fee (\$220) = **\$660** (If paid on or before the deadline.)
- e) Team entry fee of \$660 must be paid during office hours before the deadline date to participate in the league. Team applications for the basketball program are not complete unless all fees and necessary information accompany the application. Please do not attempt to turn in partial payment of fees or incomplete forms, as this does not constitute a complete application for entry into the program. Teams will be eliminated because of failure to turn in all entry fees and rosters. Teams entering after the deadline date will be put on a waiting list and entered if space is available (charged the \$25 late fee) and may be placed in a league that needs to be filled.

Please note that even returning teams must submit their roster and fees by the deadline to be considered for league placement. If you are not planning on being involved in the basketball program as a manager, please pass this information on to the appropriate person.
